

## Convection Oven

**Model : BTCO-5**

\*Actual product may differ from photo

### FEATURES & BENEFITS

■ **Prestigious exterior design**

An exterior design that fits well in open-type kitchen elevating the ambience of the bakery.

■ **Hot air and steam**

Motor and propeller generate even flow of air inside the oven to enable even colorization of product.

■ **Door switch cutoff for fan – thermal heat reflecting double glass doors**

■ **Precise temperature control**

Sensitive to room temperature and actual temperature of oven.

■ **Stacking option**

Additional (1) oven stacking available.

■ **Menu saving function**

■ **Reverse circulation heating function**

■ **60 minute timer**

Flashing timer that signals heating time has started and is running.

■ **Stainless steel interior and exterior**

■ **Fully insulated, completely sealed**

■ **4 speed bi-directional fan (optional)**

- 13.2" fan is standard
- 100%, 80%, 60%, 40% of maximum speed when including option.
